**Colorado Springs Airport**

7770 Drennan Rd. • Colorado Springs 80916 • 550-1970 • www.flycos.com  
 The Colorado Springs Airport (COS) serves more than two million people every year. Thousands get a breathtaking first impression of the Front Range and Pikes Peak through large windows and airy skylights at the airport.

Conveniently located near I-25, this full-service terminal facility is 20 minutes from downtown and within easy driving distance to many attractions, including numerous major ski areas.

It is consistently ranked as one of the lowest in delays with uncongested air space, short taxi time and low weather-related closures.

**Bus Service**
